Forecast for Thursday 02 Jun 2022

Weather: Starting clear with sunny spells. Patchy cloud developing through the morning, with a chance of the odd light shower through the early afternoon. Sunny intervals are likely through the day, any showers easing into the late afternoon. A dry but cloudy night to follow.

Chance of cloud-free hill tops above 600m: Greater than 90%.

Low cloud and visibility: Very good visibility with clear views of distant hills. Chance of visibility briefly reducing to moderate during showers, though cloud bases should remain above summits throughout.
